Subject: Local Pet Adoption Event in Orange County

Hi Patricia,

I came across your latest issue of the Durham Skywriter and loved the section about local events for the public! I wanted to let you know about an upcoming community event that I thought might interest you.

From 2015 to 2018, more than 2,500 animals were taken in by the Orange County Animal Shelter. In honor of National Adopt-a-Dog Month, the shelter will host a pet adoption block party in Chapel Hill on Oct. 26 from 11 a.m. to 4 p.m. The block party will feature the Orange County Animal Shelter's adoption special that will run throughout October.

We would like nothing more than to find a home for as many furry friends as possible, so community members of all ages are invited to enjoy local food vendors and performers while they meet the adoptable pets from the shelter!

If this interests you, I can send a media kit with more information to help with the story writing process. I'll follow up within the next week if you have any questions or concerns..

Best,
